

# YORU Cable Ties Datasheet

Model YR130-1CTGW  
 Size Label 5" x 1.9 mm.

|                                 |                                                                          |
|---------------------------------|--------------------------------------------------------------------------|
| <b>Color</b>                    | White                                                                    |
| <b>Type</b>                     | Loop Round                                                               |
| <b>Material</b>                 | Polypropylene (PP)                                                       |
| <b>Flammability</b>             | No                                                                       |
| <b>ROHS Compliant</b>           | Yes                                                                      |
| <b>UL Recognized</b>            | No                                                                       |
| <b>Releasable Closure</b>       | No                                                                       |
| <b>Length</b>                   | 5 inch (Imperial)                                                        |
|                                 | 130 mm. (Metric)                                                         |
| <b>Width</b>                    | ≈ 0.40 mm. (Body) ±0.1 mm                                                |
| <b>Head Type</b>                | Round Head                                                               |
| <b>Thickness</b>                | ≈ 1.90 mm. (Body) ± 10%                                                  |
| <b>Operating Temperature</b>    | +14°F to +176°F (Fahrenheit)                                             |
|                                 | -10°C to +80°C (Celsius)                                                 |
| <b>Minimum Tensile Strength</b> | 7.0 lbs (Imperial)                                                       |
|                                 | 3.0 Kgs (Metric)                                                         |
| <b>Bundle Diameter</b>          | 32.0 mm. (Minimum)                                                       |
|                                 | 35.0 mm. (Maximum)                                                       |
| <b>Weight</b>                   | ≈ 0.05 grams (1 piece)                                                   |
| <b>Features</b>                 | Easy to Install, Variety of Sizes, Self-locking, Temporary Applications. |
